

CRAIG MORGAN RETIRES AFTER 25 YEARS AS THE DISTRICT MANAGER FOR THE SCHUYLKILL CONSERVATION DISTRICT

### HON. TIM HOLDEN

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 22, 2010*

Mr. HOLDEN. Madam Speaker, I rise today to recognize Craig Morgan, a constituent from my district, who is retiring as District Manager of the Schuylkill Conservation District after twenty-five years of service. Craig has always had an interest in the outdoors. As a boy, he enjoyed fishing, hunting, and helping on his grandfather's farm. After graduating with a bachelor's degree in environmental resource management from Penn State University in 1977, Craig began his career with the Schuylkill Conservation District.

The Schuylkill Conservation District was formed in 1955 with an emphasis on soil conservation. Since becoming District Manager, Craig has expanded the conservation district's role to erosion and sediment control, watershed protection, environmental education, farmland preservation, and farm conservation planning.

One of the Schuylkill Conservation District's accomplishments under Craig's leadership is the farmland preservation and erosion and sediment control efforts around the Little Swatara Creek, ultimately preserving the down-stream Sweet Arrow Lake.

Acid mine drainage has traumatically impacted and sometimes destroyed the ecosystems of streams in part of my district. Under Craig's direction, the Schuylkill Conservation District has partnered with the Schuylkill Headwaters Association, and other watershed associations, to treat acid mine drainage and bring those streams back to life with plant life and fish.

Craig is also proud of the Schuylkill Conservation District's efforts to educate local students on the environment and the importance of conservation. In 1979, Craig ran Schuylkill County's first environthon, which combines in-class curriculum and outdoor training, helping students to learn more about aquatic ecology, forestry, soil and land use, wildlife, and current issues facing the environment.

Looking back on his twenty-five years as district director, Craig said, "The job has been a challenge, but it's been a pleasure in doing good things and doing the right things. That's the reward. Seeing fish back in streams, seeing people at Sweet Arrow Lake. I am the type of person that wanted to do things right the first time so I didn't have to do them again."

I would like to thank Craig Morgan for his twenty-five years of commitment to conserving and preserving Schuylkill County's waters, lands, and wildlife.

CONGRATULATING REVEREND DANIEL P. COUGHLIN ON 10TH YEAR OF SERVICE AS HOUSE CHAPLAIN

SPEECH OF

### HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 21, 2010*

Mrs. McCOLLUM. Mr. Speaker, I rise today in support of H. Res. 1216, a resolution congratulating Reverend Daniel P. Coughlin on his 10th year of service as Chaplain of the House of Representatives.

Reverend Coughlin was sworn in as the fifty-ninth Chaplain of the House of Representatives on March 23, 2000—the first person of Roman Catholic faith to hold the office. In his decade of service, he has opened House proceedings with prayer, provided pastoral counseling and arranged memorial services for the House and its staff.

Over the years I have come to know Reverend Coughlin and value his service to the House of Representatives. This resolution is a fitting honor, and I urge my colleagues to join me in congratulating Reverend Coughlin for his decade of faithful service.

HONORING THE LIFE OF LIEUTENANT COLONEL SPANN WATSON

### HON. CAROLYN MCCARTHY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 22, 2010*

Mrs. MCCARTHY of New York. Madam Speaker, I rise today to recognize the life and achievements of Spann Watson, one of the original Tuskegee Airmen, a retired U.S. Air Force pilot and an advocate for civil rights. Mr. Watson, who helped break the color barrier in the military years ago, passed away at the age of 93 years old.

Mr. Watson, originally born in South Carolina, moved with his family to New Jersey where he was inspired to become a pilot after watching Charles Lindbergh land the *Spirit of St. Louis* at Teterboro Airport. Mr. Watson earned his pilot's license while studying engineering at Howard University. In 1940, he was told by an Army recruiter that there were no openings for black pilots; however, a year later, the NAACP filed a race-discrimination lawsuit and the War Department set up an experimental program to train African American airmen.

Mr. Watson completed this program, which was based at Tuskegee Army Air Field in Alabama, as a fighter pilot and participated in nearly 40 flight missions during World War II. He retired from the military in the 1960s and worked as an affirmative action specialist for the Federal Aviation Administration. He continued to lecture into his 90s about his experiences as a military and civil rights pioneer.

Over the past 20 years, Mr. Watson traveled the country attending air shows and speaking about the all-black flight program. In 1997, Congress honored graduates of the Tuskegee program with the Congressional Gold Medal—the Nation's highest civilian award.

While at Tuskegee, Mr. Watson met Edna Webster, a civilian employee at the airfield,

and they were married on December 17, 1943. The couple had five children and spent nearly 50 years as a resident of Westbury, Long Island.

Madam Speaker, it is with great admiration, pride and respect that I acknowledge the accomplishments of Lieutenant Colonel Spann Watson and thank him and his family for a lifetime of civil service to our country.

TRIBUTE TO MYRTLE E. THATCHER

### HON. DENNIS MOORE

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, April 22, 2010*

Mr. MOORE of Kansas. Madam Speaker, I rise today to pay tribute to a distinguished citizen of Kansas City, Kansas, who celebrates her 100th birthday today.

Myrtle E. Green Thatcher was born in Kansas City, Kansas, on April 22, 1910, to Embridge and Eliza Green. She is a lifelong resident of Kansas City, where she graduated from Northeast Junior High School and Sumner High School. She was married for over 50 years to Nathan W. Thatcher, Jr., the third son of Mr. and Mrs. Nathan W. Thatcher, Sr., who was general manager of Thatcher Funeral Home, which is the oldest black family-owned funeral home in the State of Kansas. The business began operation in April 1912, at 1520 North 5th Street, founded by Mr. and Mrs. Nathan W. Thatcher, Sr.

In 1979, Mr. and Mrs. Nathan Thatcher, Jr., affectionately known as Myrtle and "Snooks", remodeled the building. In the following year, Nathan died, leaving the family business in the capable hands of their only child, Quintelle Thatcher Davis, who guided the business until finally succumbing after a hard fought battle with cancer in 2007.

Myrtle E. Thatcher has been active in the business for over 50 years. A licensed funeral director, she's been a member of the Missouri-Kansas Funeral Directors Association, the National Funeral Directors and Embalmers Association, and other professional groups. She's been a member of Pleasant Green Baptist Church for over 50 years and is a charter member of Alice M. Browne Chapter #40 of the Order of the Eastern Star. The recipient of numerous community service and professional awards through the course of her career, she is still serving our community, along with the excellent leadership of her grandson, Robert Davis, the fourth generation of her family to join the business, where he serves as general manager, funeral director and embalmer.

This family business will be 98 years old this month. As Myrtle maintains, they will continue to follow founder Nathan Thatcher, Senior's, practice of following the Golden Rule: do unto others as they do unto you. And Myrtle will continue to be very proud of her family, which includes five great grandchildren and three grandchildren: Judy Easterwood, who lives with her husband Robert in Kansas City, Kansas; Robert Davis, and Associate Professor Jacquelyn Hams, the chair of the department of earth science and anthropology of Los Angeles Valley College.

Madam Speaker, I know that you and all members of the House of Representatives join with me in paying tribute to Myrtle E. Thatcher upon her 100th birthday.
